Incognegro

<https://www.penguinrandomhouse.com/books/566344/incognegro-a-graphic-mystery-new-edition-by-written-by-mat-johnson-illustrated-by-warren-pleece/>

An interview with *Incognegro* creator Mat Johnson about the inspiration behind his 1920s-era graphic novel and the continuity felt a hundred years into the future: "America's issues are still America's issues, and while I feel we have made some real progress in negotiating our legacy of race, we still have a long way to go in understanding how our legacy of being a slave nation still

affects us today in terms our economic realities, our prejudices, and the mythologies we build our national identity.” Students studying DWSO might find this an intriguing companion piece.
